INTRODUCTION

As an established construction company, Strong Walls Constructions L.L.C. specializes in building works, civil engineering works, addition and alteration works, upgrading works, design and build projects, and property development.

Strong Walls Constructions L.L.C. has worked on both public and private projects, and these include building and civil engineering projects by government bodies and statutory boards, private developers and home owners. Strong Walls Constructions L.L.C. recognises quality and safety as an integral parts of its construction business. Hence, attaining the ISO 9001., Safety management and star certifications, it signifies the company's commitment to continuously provide the best services and also to deliver high quality standards to its customers.

It is also the company's policy to ensure timely handover, minimize defects and material wastage, maintain a safe and healthy working environment, and to provide constant training to its staff so as to improve their level of workmanship.

Strong Walls Constructions L.L.C. will continuously strive towards 100% customer satisfaction in all aspects such as cost, efficiency and quality.

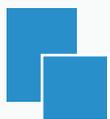

**OUR 20
YEARS WORKING
EXPERIENCE**

Quality

Meets Excellence In Construction Solutions

Strong Walls Care To Provide A Healthy Working Environment In Compliance

Strong Walls Construction Company delivers reliable, high-quality building solutions. We specialize in residential, commercial, and industrial construction. Our team focuses on durable structures, timely delivery, and cost-effective results. We use certified materials and skilled labor to ensure safety and strength in every project. From foundation to finishing, we build with precision and commitment. Your vision, our construction expertise.

OUR MISSION

To form long-term relationship of value with our clients and partners by using quality construction and engineering solutions and employing the best resources and latest techniques.

OUR VISION

To be the leading provider of quality construction and engineering services in the Middle East, and across the globe

Strong Walls Construction LLC

Services We Provides

Specializes in Building Works, Civil Engineering Works, Addition and Alteration Works

1

Architecture Consulting

Our architects design practical, efficient, and modern spaces. We focus on structure, function, and visual appeal.

3

STRONG WALLS

CONSTRUCTION LLC

TAKE A GOOD DECISION

Quality

Building Excellence.

Safety

No task is so important that we cannot find a safe way to do it.

Integrity

We do the right thing for our customers and employees. We do that we say.

Resourcefulness

We are a can-do, get-it-done company.

Profitability

we provide great value for a fair return. We strategically re-invest our profits to maintain operational excellence.

Customer Satisfaction

We listen, we build trusting relationship and we stand behind our work.

Economic Inclusion & Diversity

We are dedicated to being top-of-class in providing mentoring and opportunities for emerging firms

Innovation

We collaborate to innovate and deliver the highest expertise.

Social Responsibility

We are committed to the community, Environment & Employees

CORE VALUES

THE COMPANY STAFF AND SERVICE

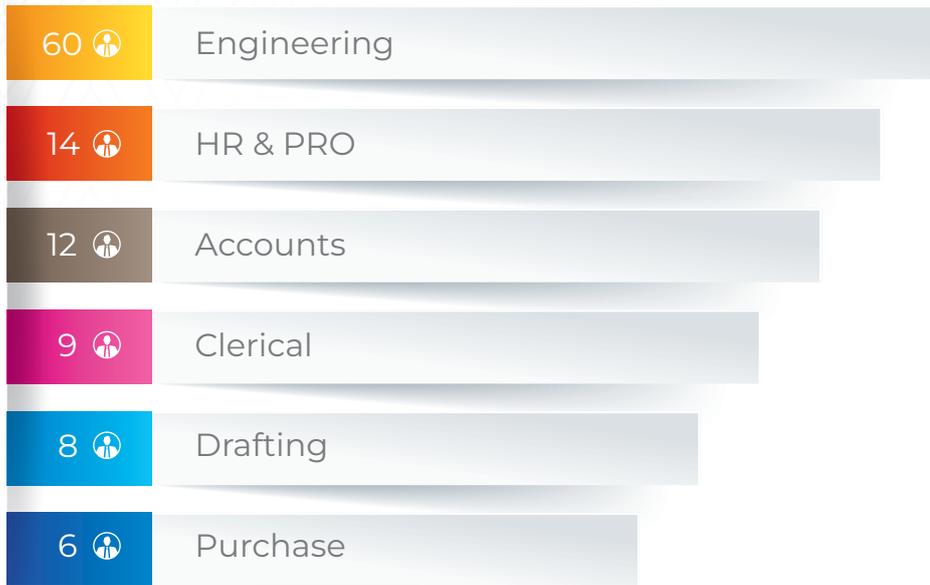

Our key staff, most of whom have decades of professional experience, have been carefully selected to complement a well balanced team combining high levels of practical skills and knowledge acquired in the field of management and operation. This unique combination ensures pragmatic solution to the problems inevitably encountered on most construction and engineering projects achieving value maximization, cost minimization and optimum results which suits all parties particularly clients.

We are career oriented - company whose commitment is to promote deserving professionals within the organization has resulted in successful and significant geographic expansion. Individuals are given the opportunity to take on as much responsibility as they are willing to seek.

Furthermore, we believe that consistency and total commitment is the key to customer satisfaction. Our full fledged, in-house MEP teams successfully put us in a more dependable position compared to others in the market.
